

CMA CREATIVITY CAMPS

INFORMATION FOR REGISTRANTS

DROP-OFF/PICKUP:

- The CMA is closed on Mondays and before 10:00 a.m. the rest of the week. You will not be able to enter through the main entrance during these times. For drop-off and pickup, please drive or walk into the parking garage and enter the museum through the tunnel on Level 2. You may head directly to the classroom indicated on your ticket.
- After 10:00 a.m. Tuesday to Sunday, students should be dropped off and picked up directly at the classroom indicated on your ticket.
- Please drop off and pick up as close to exact start and end times as possible. This is especially important on Mondays and before 10:00 a.m.
- On the first day, please plan to take 5 minutes to fill out a short form before leaving.
- Parking in the CMA garage is free for the first half hour.

FOOD:

- Please provide a lunch for students in full-day camps.
- Allergy-safe and gluten-free snacks from Trader Joe's will be provided to all campers.
- Please alert camp staff of any allergies.

DRESS:

- Art can get messy! Students should come in comfortable clothes that can be worn while painting or while playing games outside.
- Closed-toe shoes are recommended for safety (no flip-flops, please).

SPECIAL NEEDS:

- We want to provide the best experience for our students. Please communicate with camp staff *before* the first day of camp if your camper has special needs. We do not currently provide aides to stay with students during the camp, but outside aides may be requested if needed.

GENERAL:

- All camps include activities in the galleries with authentic works of art, hands-on art projects in studio spaces, and opportunities to snack and play outside (weather permitting). With the exception of the ceramics-focused teen camp, all camps incorporate mixed media, and all activities are designed to allow campers to explore their own creative ideas using fun materials and techniques.

QUESTIONS?

Email Katie Dike, studio programs coordinator, at kdike@clevelandart.org.
